I have written in this space ad nauseum about the criminal acts of dictators and their reigns of terror against innocent people - in Syria, Tibet, Myanmar, Iran, North Korea and Xinjiang province in China to name but a few, and it is always the same 'evil club of dictators' arranging the massacre, torture and rape of men, women, children and yes, even babies. This is how dictators dehumanise the village idiots that they get to do their murder and rape for them. These brutes are the favoured killers of the dictator masters as real men would never stoop that low. The dictator countries also swap hired killers when it comes to torture and rape of their own people in fear the local men will have some compassion for their brothers and sisters, mothers and fathers, sons and daughters.

Most of their soldiers are weak minded, brutalised men and also victims of their psychopathic masters and their schemes. They have been turned into inhuman beasts.

This is the new low to which the current batch of despotic 'rulers of planet earth' have dragged us all down into. They have stolen their country's wealth and destroyed their country's ecology, dragged the bottom of their country's seas to be forever empty and unproductive so now they gang up to gain the last bits left on earth while they can, and in doing so have brought us to the start of the Last Dark Ages. Will we survive the Great Betrayal - likely not - but the psychopaths care not even for their own children. They do not understand that they fool no-one - they are not clever, they are not admired, rather they are hated and watched, always watched, until the opportunity comes when those who surround them can be rid of them

It is why a good man like Volodymyr Zelensky has astonished them. They have no understanding of decency and honour and self-sacrifice.

Once we enter the Last Dark Age there is no coming back for us or them. And the dictators will fight each other for the last spoils of planet earth.

Frankly they don't give a damn,...

And if we need proof of their malevolence see how they target schools and hospitals and maternity wards. They befoul the human spirit and insult human intelligence when they trot out their soulless spokesmen to spin their filthy lies. They need not open their mouths – their evil, their complicity and their heartlessness is written on their faces,

The only man who will be remembered from this final barbarism that destroyed the world (at least for the tens of thousands of years, that it will take any creature to claw its way back), will be Volodymyr Zelensky. A leader is someone who honourably takes responsibility for the welfare of his people and his country and all they do business with, A leader has integrity and protects the weaker members of society.

The names of the dictators will be spoken of in time with the same hate, horror and derision as Adolf Hitler, Idi Amin, Pol Pot, Vlad the Impaler and Ivan the Terrible and the rest of the rubbish that has become the collective nightmare of innocent children who had the misfortune to be born on this planet of primitive brutes.

These psychopaths plan GLOBAL GENOCIDE - and it is now 'us vs them'.

But as they can see with Mr Zelensky GOOD people do not lay down and die. Good people, will fight to the death as they have something to believe in and something of real value to fight for - good people eventually win and they will rise up en masse against those who dared to befoul us all.

Thank you Mr Zelensky from the hearts and minds of all good, decent and intelligent people of the planet. Should you win or lose Putin's 'war' - you have already won anyway – you are the honour and decency of humanity that these brutes can never conquer, nor even understand
